Deborah Jane Castles Thompson passed away on November 16, 2009.

Things will never be the same at the Sapphire Mine without Deb. Her presence will always be missed and her memory never forgotten.

Memorial services for Deb will be held at noon on April 25, 2010 at the Sapphire Mine to celebrate her life. Free lunch to follow.

On the 17th a local man found a gem quality 7 1/2 lime green sapphire. It came out of an El Dorado bag. Finished value of this stone will be \$2,000.

El Dorado bags have been producing many stones on a regular. Make sure you stop on by or order online to get a bag and find your very own treasure.

Due to recent computer problems we have lost a few of our subscribers. Please visit our website if you know somebody or would like to join.
